Abdullah Nasser AlMsan

Computer Systems Technician | Aspiring SOC Analyst (Blue Team)

Riyadh, Saudi Arabia | +966 58 277 5179 | Abdullah.n.almsan@gmail.com | LinkedIn | Portfolio

PROFESSIONAL SUMMARY

Computer Systems Technician with hands-on experience in IT support and basic systems administration across live branch operations. My practical experience includes end-user device support, branch connectivity troubleshooting, barcode printers, data backups, and SOC / Blue Team case studies using Splunk and Wireshark. I am seeking an IT Support, SOC Analyst (Tier 1), or Security Operations role where I can build on this support foundation and continue developing defensive-security skills.

PROFESSIONAL EXPERIENCE

Computer Systems Technician | Rehlat Al Wadi Transport Est., Saudi Arabia *Dec 2024 - Present*

- Maintain and troubleshoot work devices and barcode printers across branch operations, reducing equipment downtime.
- Support and monitor network connectivity between branches, ensuring uninterrupted shipment-tracking operations.
- Provide on-site technical support to branch staff, resolving hardware and software issues quickly.
- Secure shipment and customer records and run periodic data backups as part of routine data-protection practice.

Cashier / Accountant | Rehlat Al Wadi Transport Est. & Ahla Hadaia Trading Company, Saudi Arabia *Dec 2021 - Nov 2024*

- Managed daily cash and electronic transactions, POS operations, and cash reconciliation with high accuracy.
- Recorded and audited customer and shipment data, maintaining confidentiality and audit-ready records.

IT & Sales Trainee | Asr Alhatif, Saudi Arabia *Mar 2023 - Jun 2023*

- Assisted with maintenance and configuration of computers and mobile devices while supporting sales operations.

EDUCATION

Diploma in Information Security

Applied College, Prince Sattam bin Abdulaziz University, Saudi Arabia | 2022 - 2024 | **GPA: 4.00/5.00 (Very Good)**

Bachelor of Information Technology (In Progress)

Prince Musaid bin Abdulrahman University (formerly Saudi Electronic University), Saudi Arabia | Expected 2029

CERTIFICATIONS & TRAINING

- eJPT (Junior Penetration Tester) - INE Security | Certified: 04 Nov 2026 | Credential ID: 199310718
- ISO/IEC 27001:2022 Lead Auditor - Certificate of Competency, Mastermind Assurance (training + exam, 16 hrs), Jun 2025
- eJPT Prep Course (attendance) - King Faisal University Cybersecurity Club (16 hrs), Nov 2025
- PT1 - THM Prep Course (attendance) - CyberPro Pathway / KFU Cybersecurity Club (30 hrs)
- CySA+ Prep Course (attendance) - CyberPro Pathway / KFU Cybersecurity Club (8 hrs)
